ADVANCE LIST 1928 - 1929  
SPECIAL FALL OFFERS

Planting sizes as dug, in \$10.00 lots, cash, NO DISCOUNT with this offer, until December 15th. We offer for fall delivery, the following varieties in 1st year stock from bulblets, this stock will have the roots attached and will run as dug in the field; will consist of bulbs, mainly from about  $\frac{1}{4}$ " up to  $\frac{3}{4}$ " with #6 size predominating. There is considerable variation with some varieties, as some average much larger than others. This stock will be weighed up in lots to correspond with the 1000 wholesale prices quoted, but will be much below quantity prices of cleaned and graded stock as we pass all this saving on to you, also such bulblets as may be attached to these bulbs will not be figured in our estimate. SHIPPED ON APPROVAL, RETURN AT OUR EXPENSE IF NOT UP TO SPECIFICATIONS.

Shipment after November 1st.

\$25.00 lots. Stock as dug. Sold in even lots of \$25.00 per lot. NO DISCOUNT. Aflame and Mrs. F. C. Hornberger.

We finish lifting stock quite late in fall, and cleaning is not far advanced before December. We fill all orders for cleaned and graded stock for fall shipment when requested, but it puts us to additional labor costs in handling, and we prefer to book for early spring delivery, except as specified in Special Offers. Our storage is ideal for keeping bulbs in first class condition, all bulbs planted on new land and disinfected with Semesen or other preparations before planting, so stock will be found clean and free from disease. RATE: 1000 bulbs at nine times the 100 rate, 250 at 1000 rate, 25 bulbs at 100 rate. No single item for less than 25¢, minimum order \$1.00. TERMS: 20% with order will hold for early spring delivery, balance before shipment or C.O.D. TRADE PACKETS of bulblets: We can supply these in 50¢ and \$1.00 packets; on all varieties listed at \$5.00 per 1000 or less, put up in proportion to the quart or pint rates, and a better value than where bulblets are counted. Complete list of over 200 varieties issued in January.

Many of our customers who purchase small bulbs or bulblets, wish a few assorted large sizes for comparison, so we are listing below such assortments, OUR SELECTION. Of sizes, no quantity specified, only that you will get the 100 rate price on bulbs sent you. All these lots will be \$1.00 each, see right hand margin below.
